

Learning Journal 18.12.15

Over the last couple of weeks we have celebrated Christmas in style. Here are some of the photos to show you what we have been up to.

At the woodland workshop we had a special message from the birds. We had to solve the clues to find our woodland treats. Jude brought mince pies and we made our hot chocolate and it was very exciting!

Then on Friday we went on the bus to Alnwick Garden to visit Father Christmas. Before we could see the man himself we had to help the Princess find some fairy tale clues to defeat the wicked witch so that she could marry the Prince.

We dressed up in some fantastic costumes.....
And climbed through the magic door!

Can you guess which
fairy tales these
magic objects
belong to?

We were ready for lunch and we had a visit from someone very special while we were eating.

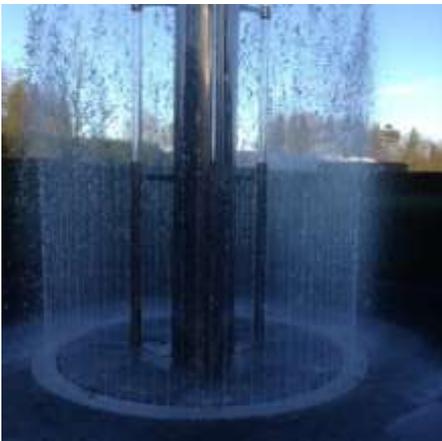

Then it was finally time to visit Father Christmas!

We sang lots of songs and told him all about our Christmas play. Then we each had a lovely chat with him to tell him what we wanted for Christmas before getting our presents. We all had good manners and remembered to say please and thank you.

After that we had a play in the gardens before getting the bus home. Despite wearing our waterproof suits and our new waterproof gloves we managed to get quite wet in the water features.

You should be very proud of your children. Staff and members of the public commented on their excellent behaviour and how nicely they spoke to and played with each other. We all had a fabulous day out.

On Monday we put our play costumes back on and went to Christon Bank Church to do a mini performance of our Nativity play. Once again the children did us proud and sang and acted beautifully.

Our Christmas Dinner was a real treat as Josie made us a wonderful feast and we welcomed lots of guests to join us as a thank you for their hard work and support for our school.

And finally today was our Christmas party! We danced, played games and sang and ate lots more delicious food. We even had a disco with a disco ball.

All that remains is to wish all our families and children a happy, peaceful and relaxing Christmas and to say thank you for your amazing support for the school this year. We hope you enjoy celebrating Christmas with your children as much as we have and we look forward to more adventures in 2016!
