

Autumn Term 2025

Message from Mrs Lakey:

Thanks to everyone for helping us get off to such a smooth start to the new school year. Our new starters have been brilliant!

The new school year dates are available on our website. Please be aware we have a Teacher Training day on Monday 3rd November and the school will be closed.

We are delighted to welcome Mr Luke Brown to our staff this year, as the new Space Base teacher. We were also delighted to find out that Mrs Senior is expecting a baby next year. Kathy will continue to produce these regular newsletters and we will update you via Facebook. Effective communication is central to our school, please ask us if you have any questions. Queries can be dealt with quickly by Kathy: in the office face to face, or by phone/email, or an appointment can be made if you would like to see a teacher. We are always happy to help.

Please check for Parentmail emails. There is an App available from App store to make it easier to receive the communications. It is called IRIS Parentmail.

All newsletters and important texts are sent out via this method. We do not have access to your information, so you must remember to keep it up to date. Our Facebook page is used for regular reminders and links to our web site.

Our Enquiry Curriculum is split into topics and will be as follows:

Splash (EYFS) Miraculously Made
Space Base (Y1/2) Coming & Going
Earth Works (Y3/4) Earth Matters/Source to Sea
Timezone (Y5/6) Living Locally

More detailed information is in the curriculum section of our website.

Please remember we now start school at 8.45am and finish at 3.15pm. Children may be left from 8.30am. Unless they are at Breakfast Club which starts at 8.15 but must be booked in advance. Please speak to Kathy.

We don't allow mobile phones in school. If your child needs to bring in their phone, to receive an important message, they must leave it in the school office. We are always happy to pass on messages and this would be a better option. Please don't allow the children to bring in Fitbits, or other expensive items, as we cannot be held responsible for their safe keeping. Smart watches with cameras are also not allowed in school, for e-safety reasons.

School lunches are £2.50 per day, £12.50 a week for Nursery, Wellies&Wonder and Y3 – Y6.

Nursery to Y2 will continue to receive a free daily piece of fruit, through the Government Fruit Scheme. Earth Works and Time Zone, are welcome to bring in a healthy snack, such as a piece of fruit or a cereal bar, for morning snack. Reception to Y2 will also continue to receive a free school meal through the Universal Free School Meal government scheme.

Payment for lunches will continue to accumulate through your ParentMail accounts. These are updated weekly, usually on a Friday. After School Provision and Nursery fees will start to appear
